

GET A **FREE TRIP** TO NEW ZEALAND

(Where you'll get to see your rotary being built)

WHEN YOU PURCHASE A **ONE MAN ROTARY**

With our smaller basic rotary milking solutions and the right suite of automation technology, we'll have you milking 150 cows/hour - more efficiently than a robot - with only one person.

Milk more efficiently
than a robot

Same cost as
1.5 robots

Capacity to expand
as your herd grows
